Upon consideration of Defendant International Finance Corporation's Motion to Lift Stay, Confirm Arbitration Award, Enter Judgment and Dismiss Claims With Prejudice (the "Motion"), and the briefing filed in connection with the Motion; and upon consideration of the Award dated June 24, 2013 by the International Court of Arbitration of the International Chamber of Commerce, a copy of which is attached hereto as Exhibit A (the "IFC Award"); and the Court finding that it has jurisdiction over this matter; and due notice of the Motion having been provided, and it appearing that no other or further notice need be provided; and the Court having determined that the legal and factual bases set forth in the Motion establish just cause for granting the relief requested in the Motion;

All such claims are hereby dismissed with prejudice.
- 3. This Order resolves all claims and causes of action by the Debtors against IFC in this adversary proceeding and constitutes a final order therein; therefore, IFC is dismissed from this adversary proceeding.
- 4. The Court shall retain jurisdiction over all matters related to the interpretation and implementation of this order.
